

PULPIT ANNOUNCEMENTS

August 28 & August 29

1) Announcement from our new Pastor:

As we are aware of the Delta Covid we are strongly encouraged to continue all of the necessary safety practices for the well being of ourselves and our neighbors. This is a clear mandate from Christ in how we are to love our neighbor as ourselves and thus practically show our love for God. We can protect one another and help those parishioners who have multiple underlying health issues to remain Covid free. Too many people have died needlessly from this pandemic which must break God's heart in seeing so much suffering that could have been avoided.

In our Catholic Church we are always aware of the consequences of our words and actions that directly impact others. We look to Christ as the way, truth and life who encourages us to choose life and use at our disposal the means we need to care for one another, especially those most vulnerable among us. Together we can conquer this pandemic with awareness, care and compassion.

In Christ, Fr. Bill Allegretto, C.M.
